WHO WE ARE

A private, non-profit school foundation established
solely for the benefit of Gull Lake Community

Schools, the GLCS Foundation provides
opportunities through four focus areas: GRANTS,
SCHOLARSHIPS, DISTINGUISHED ACADEMIC
SCHOLARS, and SPARK SERIES.

Since its inception in 1983, the GLCS Foundation
has awarded nearly 700 grants, 400 scholarships
and several special community events totaling more
than \$2 million to Gull Lake Community Schools.

These funds have benefitted every building in
the district, including the Gull Lake Virtual School,
Gull Lake Partnership and Gateway Academy.

For more information, please visit glcsf.org.

Dear Community Member!

For more than 34 years, the GLCS Foundation has diligently worked to fulfill its mission: to expand and enhance education at Gull Lake Community Schools. Why is this important?

It's important because the Foundation provides opportunities—opportunities for both students and staff to develop by gaining knowledge and experience beyond the normal curriculum—opportunities that are crucial to a quality education and a successful future and would not otherwise be available if not for the GLCS Foundation.

WE NEED YOUR HELP!

Simply put, we can't do what we do without your support. As state funding continues to decrease and student enrollment grows, it has become increasingly difficult to provide extra opportunities for students and staff. However, with your support, the GLCS Foundation can continue to provide programs that expand and enhance education at Gull Lake Community Schools.

Year after year, this generous community demonstrates how much it values education. Take a look at the list of donors within this newsletter from this past year alone. Won't you join them?

Please consider a donation. [Support the Foundation that Supports Your Schools.](#)
