

MITCHELL J. ROSSEN MEMORIAL SCHOLARSHIP

This scholarship was created in 2015 by the family and friends of Mitchell James Rossen who faced cancer at age 13. Mitchell is remembered by his tremendous amount of faith as he battled his disease for 3 years, never giving up his belief for a cure. He had an infectious smile, a positive attitude, courage, and a fearless approach to death because of his strong belief in where he is today. Mitch was passionate about sports. He had an unstoppable attitude on the basketball court, never giving up even while playing during treatment. Mitchell's goal in life was to play basketball in college. However, more importantly, he wanted to work with youth and make a lasting impact on their lives. Mitchell said, "I don't know if I want to be a coach or youth pastor. I just know I want to help kids." Mitchell's family feels enormous gratitude for the outpouring of support which allows this scholarship to exist and will now *help kids* in Mitchell's memory.

This scholarship will be awarded to a student who exemplifies character through demonstrated leadership, hard work in academics, compassion, and involvement in extra-curricular activities and volunteer work.
