

SAYLOR SCOTT MEMORIAL SCHOLARSHIP

The Saylor Scott Memorial Scholarship was established by her family in 2022. Saylor Irene was born on October 21, 2022 and was the first child of her adoring parents. Saylor was born with two very rare chromosomal abnormalities which made her the only little girl like her on the planet according to her doctors and unfortunately caused her an early death at only 3.5 months old. During her short life, Saylor taught us many things, including perseverance, courage, and faith. Saylor patiently tolerated feeding tube changes, monitors, and oxygen equipment. She suffered physical pain but had the sweetest disposition. Saylor will always be remembered and honored for her incredibly strong and loveable spirit. Her mother, Betsy Knapper Scott is a 2008 GLHS graduate and now she and her husband, Evan, live in the Gull Lake school district. It is their desire to help a graduate achieve their post-graduation dreams while keeping their daughter's name alive.
