

2007–2008 Annual Report

A smart investment. With an amazing return.

Gull Lake Community Schools Foundation

1983 | 25 years of investment. A lifetime of results. | 2008

Dear Friends,

This year marks the Foundation's 25th anniversary! In 1983, a small group of local visionaries wanted to make a difference in the quality of education provided by Gull Lake Community Schools. Together, those community leaders created the Gull Lake Community Schools Foundation. Today the board consists of 20 members, including teacher representatives from each building, community members, parents, a representative from the school board, the district curriculum director, and the superintendent of schools. Our founding trustees would be proud of the Foundation's achievements over the past 25 years.

Throughout the history of the Foundation, the Gull Lake Community has demonstrated its commitment to education. However, at no time have I been as overwhelmed by the generosity of our community as during these tough economic times. This past year has seen the Foundation grow in every way: financial support, number of grants and scholarships, programs, and volunteers. What could possibly be a better investment right now than providing opportunities for our children to be the best they can be?

As the Foundation continues to grow we will be ever mindful of our founders' mission to promote excellence in education within our schools.

Thank you for your continued support!

Sincerely,

Marie Stech
GLCSF Chairperson

Youth Depression Education and Suicide Prevention Initiative

Gull Lake Community Schools and the University of Michigan Depression Center formed an exciting new partnership in 2008. Through a generous donation from local residents Peter and Susan Ordway, the University of Michigan developed a pilot program to educate our community on youth depression and suicide prevention.

"The generosity of Peter and Susan Ordway has made it possible for opportunity to meet need. Our students and staff now have additional resources on depression and suicide which include classroom sessions, faculty training, support groups, and community education. This initiative between the University of Michigan Depression Center and Gull Lake Schools has complemented programs that were in place and added many more levels of care for our entire community." – Joni Knapper, Nurse, Gull Lake Community Schools

2007–2008 Accomplishments

We're building a bright future.
With smart investments today.

This year has seen the Foundation set new records in almost every category:

- Increased annual contributions by 27% reaching \$217,000
- Awarded 45 grants, providing much needed support to teachers and students
- Created a Distinguished Speaker Series, with an inaugural event featuring *New York Times* bestselling author, John Grogan
- Launched an all new GLCSF website
- Initiated a new Gull Lake Alumni Association affiliated with the Foundation
- Presented Living History programs on American Indian Dance and Ernie Pyle's World War II broadcasting experiences
- Presented 21 scholarships to graduating seniors
- Recognized 23 Distinguished Academic Scholars
- Purchased much needed books and academic supplies
- Provided unique learning opportunities through guest speakers, field trips, overnight camp, and participation in special events
- Provided funding for programs in jeopardy due to budget cuts
- Supported students at every age level, in every building throughout the district
- Supported new programs that make Gull Lake Community Schools second to none

Thank You

A special thank you to all of the individuals who made the inaugural Distinguished Speaker Series event "Marley In May" a huge success. John Grogan, *New York Times* best-selling author of *Marley & Me*, spent his day and evening with Gull Lake students, teachers, parents, and patrons discussing the saga of his lovable, neurotic dog, Marley.

Each year, the Gull Lake Community Schools Foundation offers students, teachers, and administrators the funds they need to enhance the educational experience in our district. This year, we were pleased to award 45 grants to meet a range of needs.

Distinguished Academic Scholars

As is our tradition, the Foundation this year hosted a special evening to honor seniors who had earned a 3.9 or higher grade point average for at least seven semesters. We saluted not just these exceptional students, but also their parents and a teacher of each student's choice.

An opportunity for you. And for all of us.

The Foundation is a nonprofit organization formed under section 501(c)(3) of the Internal Revenue Code. For the fiscal year ended June 30, 2008, all of the Foundation's administrative costs and expenses for general grant-making and scholarship funds administration were covered by investment income, cash contributions from Gull Lake Community Schools Foundation board members, and with in-kind contributions from Foundation board members and/or local businesses or professionals. That means 100 percent of your tax-deductible contribution will benefit Gull Lake Community Schools.

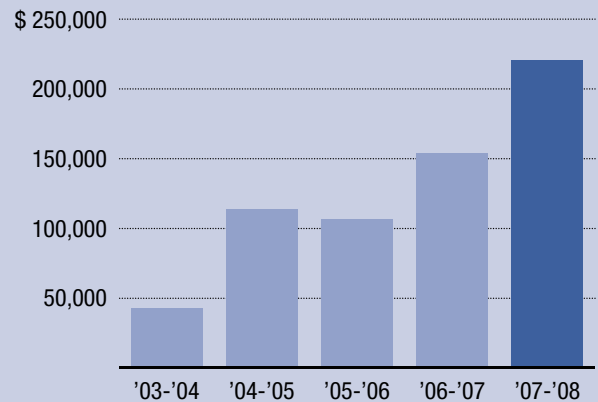

You can make a contribution in cash or by check (payable to the Gull Lake Community Schools Foundation). You may also make a donation to our endowment fund through the Kalamazoo Community Foundation (such donations qualify for the Michigan Community Foundations Tax Credit).

Feel free to choose the manner of giving that is right for you from among the list below. And, of course, contact us with specific ideas or questions:

- Pledges over time
- Gifts of securities, real estate, collections, paintings, or other personal property
- Gifts in honor or in memory of a loved one
- Planned gifts in a will or a bequest
