

GLSC Foundation Celebrates Distinguished Academic Scholars!

On May 1, the Gull Lake Community Schools Foundation celebrated 51 Distinguished Academic Scholars and their selected honored staff members with a reception at the Gull Lake Country Club. Distinguished Academic Scholars are members of Gull Lake High School's senior class who have earned a 3.9 grade point average or higher during their high school career. The Class of 2016 had the most DAS of any other class in the history of the program. It was a wonderful night to honor the students' accomplishments and to show appreciation and praise for the educators and staff who have helped them and influenced them over the years.
