

Grant Categories

Single-Year Grants

General Grant -- Monies requested by administrators and staff for resources to purchase new equipment and to develop creative, new programs or projects.

- Enrich and extend curriculum
- Innovative and creative programs

Staff Grant -- Grants offered to staff for projects that enhance their in-class expertise. They can fund training, additional resources, in-the-field experiences, residencies, and partnerships.

- Professional development
- Enrich and extend a Gull Lake Community Schools staff member's knowledge
- Shared knowledge by presentation to colleagues is encouraged

Student Grant -- These grants are for students who want to explore further a subject they have been studying and are generally under \$300 per student. Awards above this amount will be considered in exceptional circumstances.

- Field experiences and camps
- special classes and learning programs
- Service projects

Community Education Opportunity Grant -- Granted at the discretion of the Community Education Coordinator

- Student scholarships for Gull Lake Community Education programs

Multi-Year Grants

Chris Rundle Innovation Fund for Educators

These grants are for innovative programs, creative learning ideas, and are renewable for up to five years.

- Requires higher standard of reporting and evaluation
- Designed to encourage innovation ideas aligned with district goals

An application will be provided after an informal presentation to the GLCS Foundation Grant Committee. To schedule a presentation, contact your school liaison as listed below:
