

Dear Foundation Members,

It is with heartfelt gratitude that we thank you for your support of our attendance at the Leader In Me Symposium in Novi, MI. We enjoyed and learned from each speaker, bringing back numerous ideas to share with our staff. Though it is hard to choose just one highlight, we were very excited to spend time at a leadership school, meet student leaders, and talk to teachers fully invested in the Leader In Me process. We look forward to working with our staff and students here at Ryan - and are honored to have your support.

Sincerely,

Catherine [unclear]
