Gull Lake High School NATIONAL HONOR SOCIETY... TIPS FOR KIDS

“Tips for Kids” brings back the days of pumping gas for tips. GLHS National Honor Society will join the effort to raise money for the annual area Roof Sit. The event is designed as a service learning component incorporating volunteerism with fund development/public relations experience building.

Community Healing Centers’ Roof Sit is a fundraiser for programs that treat and prevent child abuse and neglect. Funds raised at the event support treatment for children who have been sexually or physically abused, treatment and healing for their family, as well as intensive support for parents, infants, toddlers, and children who are facing significant challenges. Community Healing Centers is a non-profit community based organization, committed to providing treatment and prevention services to children, adults and families in Southwest Michigan.

Stop by the Gull Road Shell Gas Station on May 16, 17 and 18, to support GLHS National Honor Society efforts to support Roofsit by collecting Tips for Kids. ■

GRAD BASH 2013 NEARING THE BIG EVENT

The class of 2013 has less than 2 months left to be high school seniors. Shortly they will embark on brand new adventures that may take them far from the friendly faces of Richland, Michigan. On June 6, immediately after the graduation ceremony over 100 new Gull Lake graduates will climb onto busses that will take them to their first adventure, Grad Bash 2013.

Over the past 7 months, parents and grandparents have been working tirelessly to plan and fund this year’s Grad Bash. This year’s Bash will be filled with fun, prizes, food, entertainment and most of all memories for the attendees to bring with them wherever their lives take them.

The Grad Bash committee would like to wholeheartedly thank the following Corporate sponsors that without their generous contributions this event will not take place.

The WALL THAT HEALS

The Gull Lake Community Schools Foundation is sponsoring a contest to select a design dedicated to the visit of the traveling Vietnam War Memorial.

This contest is open to all middle school, high school, and alternative high school students. The memorial will be placed on the west lawn of the high school. This was the site of the wall when it was here last November. The winning design will be selected by the high school social studies department. The memorial will be dedicated this November on Veteran’s Day.

Rules/Guidelines

Design: Submit a detailed drawing of your memorial including the wording on the memorial. This needs to include the materials to be used (wood, metal, stone, etc.).

Budget: The Gull Lake Community Schools Foundation has set aside \$500 for this project.

Winning Design: A \$50 prize will be awarded to the creator of the selected design.

Deadline: Entries must be submitted to the Gull Lake High School Social Studies Dept. by June 1, 2013
