Dear Community Member!

Thank you for supporting the GLCS Foundation! Because you believe in our mission **to enhance and expand education at Gull Lake Community Schools**, we have been able to provide funds for a great number and wide variety of programs. We simply could not have done all this good work without you and the outstanding educators, staff, and administration of the GLCS. This past year alone, we awarded over $209,400 to help create an exceptional learning environment.

This community continues to make education a priority, giving our students every opportunity to achieve their highest potential — just take a look at our long list of generous donors! We are proud of what we, together, have accomplished the past 36 years, and are excited about the opportunities we can bring these students in years to come.

The future begins here.
